

ASK Development Psychometric Testing Service

Discover Your Aptitude & Skills through ASK-Career Aptitude Assessment to Choose Future Career Paths

Career Aptitude Test (CAT)

When you are not sure what career you should pursue in future, Career Aptitude Test helps you narrow down your studies and job choices and also help you to choose a career path which is compatible with your interest, aptitudes, skills, values or personality characteristics.

Why Choose ASK-CAT?

The purpose of ASK-CAT is to help students make wise choices about career selection after 8th grade and 10th grade. Verbal, numerical and subject specific knowledge is assessed through these tests and help to discover deeply satisfying careers to help students in becoming more focused. Students may enroll in these tests through online registration process.

About Us

ASK serves as a Human Resource provider for organizations, psychometric testing, pay-roll handling and behavioral assessments. It is equally proficient in project development. The vital role is to provide training need analysis, training interventions and staffing needs through turn- key recruitment solutions.
